

The past year has been another fantastic year for Ballyboden St. Endas. We have achieved further success across all grades and age groups in each of our four games – Camogie, Football, Hurling and Ladies Football. We also had the official opening of our superb facilities at Sancta Maria together with the completion of the dressing rooms at Ballycullen. The Club is well placed to continue to offer the opportunity of active participation, development and enjoyment to thousands of players of all abilities

The success of our Club continues to be built on the dedication and commitment of hundreds of volunteers who, week in week out, give their time to the coaching of players and teams and to the development of our games. Thanks to these and to those who have gone before us, we are fortunate that we have excellent coaching and playing facilities. The costs involved in maintaining these facilities, in supplying gear and equipment, in supporting the welfare of all our players, and in facilitating the highest standards of coaching and games development, are substantial.

The LOTTO has been an important source of funding for the Club for many years. The funds raised from the LOTTO are targeted to finance our extensive programme of coaching and games development which benefits players at all levels and across all codes and grades. We are asking everybody associated with the club - mentors, players, parents and members to help us promote LOTTO 2011. By so doing you are making an important contribution to the continuing development and success of Ballyboden St. Endas.
